Item 6. Contracts, Arrangements, Undertakings or Relationships with Respect to Securities of the Issuer.

Investors' rights agreement

On October 22, 2018, ATP IV entered into an amended and restated investors' rights agreement with the Issuer (the "Investors' Rights Agreement"). The Investors' Rights Agreement provides for certain rights relating to the registration of certain shares of Common Stock held by ATP IV and certain other holders (the "Registrable Securities") pursuant to the Securities Act of 1933, as amended, as well as certain board observation rights.

Form S-1 registration rights

Any time after 180 days after the completion of the Issuer's initial public offering, certain holders of the Registrable Securities are entitled to demand registration rights under certain conditions. Under the terms of the Investors' Rights Agreement, the Issuer will be required, upon the written request of holders of at least 50% of the Registrable Securities, to file a registration statement with an anticipated offering amount of at least \$10.0 million (net of certain offering related expenses) and to use its commercially reasonable efforts to effect the registration of such Registrable Securities for public resale. In addition to other specified conditions and limitations, the Issuer is required to effect up to two registrations pursuant to this provision of the Investors' Rights Agreement.

Form S-3 registration rights

Pursuant to the Investors' Rights Agreement, if the Issuer is eligible to file a registration statement on Form S-3, upon the written request of holders of at least 20% of the Registrable Securities that would result in an aggregate offering price of at least \$5.0 million (net of certain offering related expenses), the Issuer will be required to use commercially reasonable efforts to effect a registration of such Registrable Securities. In addition to other specified conditions and limitations, the Issuer is required to effect up to two registration in any twelve month period pursuant to this provision of the Investors' Rights Agreement.

Piggyback registration rights

Pursuant to the Investors' Rights Agreement, if the Issuer registers any of its securities either for its own account or for the account of other security holders, subject to certain exceptions, the holders of the Registrable Securities are entitled to include their shares in the registration. Subject to certain exceptions contained in the Investors' Rights Agreement, the Issuer may terminate or withdraw any registration initiated before the effective date of such registration in their sole discretion and the underwriters may limit the number of shares included in the underwritten offering to the number of shares which the underwriters determine in their sole discretion will not jeopardize the success of the offering.

Indemnification

The Investors' Rights Agreement contains customary cross-indemnification provisions, under which the Issuer is obligated to indemnify holders of Registrable Securities in the event of material misstatements or omissions in the registration statement attributable to the Issuer, and the holders of Registrable Securities are obligated to indemnify the Issuer for material misstatements or omissions attributable to such holders.

Expiration of registration rights

The demand registration rights and short form registration rights granted to any holder of Registrable Securities under the Investors' Rights Agreement will terminate upon the fifth anniversary of the completion of the initial public offering or at such time as such stockholder can sell all of its Registrable Securities without restriction pursuant to Rule 144 within a three month period.

Board observation right

Pursuant to the terms of the Investors' Rights Agreement, for so long as ATP IV holds shares of preferred stock or Common Stock issued upon conversion thereof, a representative of ATP IV shall have the right to attend meetings of the Issuer's board of directors in a nonvoting capacity.

The foregoing description of the Investors' Rights Agreement is qualified in its entirety by reference to the full text of the Investors' Rights Agreement, a copy of which is filed as Exhibit 2 hereto, and is incorporated by reference into this Item 6.

Lock-Up Agreement

In connection with the Issuer's initial public offering, ATP IV entered into a lock-up agreement (the "Lock-Up Agreement") with J.P. Morgan Securities LLC, Cowen and Company, LLC and Credit Suisse Securities (USA) LLC, as representatives of the several underwriters. Pursuant to the terms of the Lock-Up Agreement, ATP IV has agreed, with certain exceptions, during the period ending 180 days after June 18, 2019, not to

- offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable for shares of Common Stock, or publicly disclose the intention to make any offer, sale, pledge or disposition;

- enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of the Common Stock; or
- make any demand for or exercise any right with respect to the registration of any shares of Common Stock or any security convertible into or exercisable or exchangeable for shares of Common Stock.

The foregoing description of the Lock-Up Agreement is qualified in its entirety by reference to the full text of the Form of the Lock-Up Agreement, a copy of which is filed as Exhibit 3 hereto, and is incorporated by reference into this Item 6.
